Every morning, Cristina wakes up at half past five, has a shower and then has breakfast with her family. She usually has some milk and some fruit for breakfast.

Sometimes her mother drives her to school, but she usually goes by bus. She meets her friends on the bus and chats about the homework. Her favourite lesson is English, but she also likes Maths.

The first lesson starts at half past seven. The students have a break at half past nine and Cristina plays with her friends and has an apple or banana. School finishes at one o'clock and she always gets the bus home. She has lunch with her family. After lunch she does her homework and then she often plays tennis with her friends.
