

MY DOG

Hello! My name is Bob and this is my pet dog. His name is Charlie and he is two years old. He always eats meat and drinks water for breakfast. He usually sleeps in his bed or on the sofa. He never sleeps in my bed. I usually give him biscuits after lunch, he loves them.

Dogs need a lot of exercises. He always wants to go out. I sometimes walk him during the week. My dad sometimes walks him in the morning. My dog likes jumping and playing with a ball. He never wants to go home after a walk. He always wants to play.

I usually give Charlie a bath on Sundays. He never wants to have a bath. I sometimes take my dog to the vets. A vet examines his teeth, paws and ears.

I love my dog!
