Infant 2- Comprehension- Predicting Outcomes

Look at the pictures carefully. **Think** about **who** is in the picture, **what** they are doing and **why** are they do that.

Collect your ideas and **say what happens next** by clicking on the correct answer.

1. Elizabeth is ready for the dance show. She practiced her steps very well. She smiled as she came on the stage.

What do you think will happen to Elizabeth?

1. Elizabeth did the dance well.
2. Elizabeth went off the stage.
3. Elizabeth cried.

2. Sahir is playing in the rain. He has an umbrella but he does not use it. He gets very wet.

What do you think will happen to Sahir?

1. Sahir felt happy.
2. Sahir got sick.
3. Sahir will stay in the rain.

3. Liam wakes up happy and excited. The sun is shining. It is a perfect day for a trip to the beach. After a few seconds what do you think he will do next?

What will Liam do next?

1. Liam will go back to bed.
2. Liam will get out of bed and get ready for the beach.
3. Liam will stay inside all day.
