This year, I (1) decided to become a smarter shopper. I've (2) planned a monthly budget and I (3) overspent so far. My best friend is trying to reduce her costs, too – she (4) bought any new clothes (5) the beginning of the year. There's been a sale at her favourite shop (6) two weeks, but she (7) hasn't bought anything. I want to get her something special for her birthday, but I haven't (8) the right thing (9) . She (10) told me she needs some new trainers, so I'll keep that in mind!
