

ONE FINE FACE

Listen and choose Listen and sing.

I've got two *eyes/ears*.

So I can see

I've got two ears to listen to what
you say to me.

I've got a *mouth/face*

So I can speak

I've got a cheek right here, and here
I've got another cheek.

I've got a *chin/nose*.

So I can smell.

I've got a chin, but what a chin does,
I just can't tell.

I've got eyes, ears, nose, mouth,
cheek and chin,

Each in its place.

And they're all part of one fine
hair/face.

You've got two eyes.

So you can see

You've got two *ears/eyes* to
listen to what you say to me.

You've got a mouth

So you can speak

You've got a *face/cheek*

right here, and here you've got
another cheek.

You've got a nose.

So you can smell.

You've got a *cheek/chin*, but
what a chin does, you just can't tell.

You've got eyes, ears, nose, mouth,
cheek and chin,

Each in its place.

And they're all part of one fine face.

Yes, they're all part of one fine face.

And a nice face it is, too.
