

Nicole and Matthew: What's your favourite sport?

What's your favourite sport, Matthew?

Are you a good player?

How often do you play?

Oh really? You do a lot of sport!

Well, I like watching baseball on TV.

Sure. Why not?

True! What about you? Do you like any sports?

I'm not bad.

So, would you like to watch tomorrow's game with me?

Hmmm, probably basketball. But I like tennis, too.

That's great! See you tomorrow!

Well, I play tennis twice a week and basketball four times a week. I am in the school team.
