

Modals and Semi Modals

Rewrite the sentences below using a modal or semi modal.

You can use the modals and semi modals **can, could, may, might, should, must, mustn't, be able to, have to**, positive, negative, or question.

Example: It's a good idea to wait 30 minutes to swim after you eat.

You should wait 30 minutes before you eat.

1. There is a chance Olivia will teach on her birthday.
