Louise and Ann's daily routine

Read the text carefully and then do the exercises below.

Louise and Ann Campbell are twins. They are eleven years old and they are Canadian. They live in Toronto with their parents, their brother Martin and their grandmother.

They are very active girls. They usually get up at seven o'clock and they go jogging with their father. At half past seven they have a shower and get dressed. They usually have breakfast in the kitchen with their grandmother. After breakfast they always brush their teeth and make their bed.

They always go to school on foot. They have lunch in the school every day and in the afternoon they have classes again. They go back home at half past three.

In the afternoon they have a snack and go swimming. At half past six they do their homework and then they watch TV. They have dinner at eight o'clock and after dinner they listen to music. They go to bed at ten o'clock.
