

CONTINENTS AND OCEANS SONG

Our Earth is a very, very, very _____ place!
It is covered by water and land.
It has _____ huge oceans, where we can swim,
And _____ continents, where we can stand.

_____ is the continent that has the most people.
It's also the largest in size.
It has the 50 highest mountains in the world
Their peaks reach high into the skies.

Second largest is _____.
It's the _____ continent of all.
It has the _____ sandy desert in the world
and animals both large and small.

If Africa's hottest, then which is the _____?
Antarctica but it's so very cold.
It's only home to seals, _____, and other
birds.

Though there's _____, it's the driest, I'm
told! And which is the wettest?
It's _____ America! Rainforests cover
much of its face.
Millions of _____ species live there.
You'll find them all over the place!

Our Earth is a very, very, very _____ place!
It is covered by water and land.
It has _____ huge oceans, where we can swim,
And _____ continents, where we can stand.

Let's look at _____. It's the smallest of
continents.

The fewest _____ call it home.
Most of its land is the bushland and outback,
Where koalas and kangaroos roam.

Now on to _____. Though it's rather small,
It has dozens of famous _____ cities.
Berlin, _____, Paris, London, and _____
Each city is uniquely pretty!

Last but not least is North _____. It's the
continent that I know best.
It is the home of our own _____

A wonder from East Coast to West! But let's
not forget, there are also five oceans.
Please let me be quite specific.

Their _____ are the Southern, Atlantic, and
Arctic, The Indian, and the Pacific!
I hope you learned something about all the

And the names of our _____ oceans.
Hopefully, someday you will travel to each, but
only if you get the notion!

Our Earth is a very, very, very _____ place!
It is covered by water and land.
It has _____ huge oceans, where we can swim,
And _____ continents, where we can stand
