# The Order of Adjectives

When you use two or more adjectives, the usual order is: size, quality, color, origin, substance.

For example:

a small green plastic box

size color substance

a stylish red Italian car

quality color origin

1. Read the words and adjectives below, put them in order.

Indefinite Pronouns Review

2.Match the pronoun with the meaning in Spanish

| | |
|---|---|
| All | pocos |
| Both | ni/ninguno |
| Each | tampoco |
| Either | máximo/mayor número |
| Few | otro |
| Most | ambos |
| Neither/None | cada |
| Another/Other | todos |

Translate the next sentences in English:

Follow the example,

E.g. Me gustan los animales, varios de ellos son asombrosos.

I like animals, several of them are amazing.

2. No me gustan las víboras, algunas de ellas son venenosas.

3. Estudiar Inglés es tan interesante.

4. Todos los Lunes tengo clases de Inglés.

5. Ambos perros son míos.

6. Cada semana doy clases de Frances.
