

## Sicily - The largest island in the Mediterranean Sea

Famous for being mentioned in "The Godfather"

as Vito Corleone's hometown, Sicily is nowadays

one of the most incredible Italian cities.

Many ancient buildings have very

beautiful \_\_\_\_\_ which makes the

city interesting for seightseers. All who visit

Sicily during summer are \_\_\_\_\_

as they have the opportunity to enjoy festivals and fairs.

For full \_\_\_\_\_ of the city, it's

better to walk down the streets until you

come across some of the \_\_\_\_\_

castles surrounding the downtown.

All in all, Sicily deserves a \_\_\_\_\_

stay of at least two weeks. In that way, tourists may

\_\_\_\_\_ get to know the city and its

marvellous attractions. It is the perfect

\_\_\_\_\_ to relax with your family

or friends. Don't miss it!
