

Vocabulary

Root words / Base Words

 Say each word then write the **root word** in the box.

 Example:

 Word : **boxes**

 Root word: box

Words

Root word

1) watches

2) tomatoes

3) fans

4) classes

5) foxes

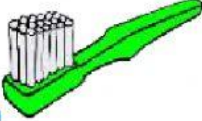

6) cars

 Part two

 Put the two root words on the lines that make **the new word**.

Example:

Root word + Root word = New word

 tooth +  brush =  toothbrush
