We have got a pet. It's a squirrel. It's a male and its name is Sam.

Sam is 2 years old. He is small and his fur is red. It has got a long tail and hairy ears.

Sam eats nuts. I feed him in the morning before I go to school.

I keep him in a cage and I clean the cage every Thursday and Sunday.

I haven't got a lot of free time, but I play with Sam every day after school.
