MY VISIT TO THE SHERLOCK HOLMES MUSEUM

Sherlock Holmes is not a real person. He is a fictional character. He is in many books by Sir Arthur Conan Doyle. He also appears in many films based on these books. Holmes is a clever detective. He solves crimes with his assistant, Doctor Watson.

I was at the Sherlock Holmes Museum in London last year with my parents. It was fantastic. You can see Holmes and Watson's office and take a photo there. Guides dressed as policemen show you around the museum. There is a souvenir shop, too.

I have got a Sherlock Holmes pencil case!
