Hello Peter,

Thanks 1. **(to/from/for)** your letter. Great to 2. **(listen/hear/receive)** from you! I'm 3. **(sorry/ apologize/afraid)** Ididn't reply last week, but I was very busy. 4. **(What/How/When)** are thing with you? 5. **(Why/Who/How)** was your basketball match on Saturday? I hope your team won.

Last week wasn't a good week for me… On Monday I 6. **(went/made/took)** a maths exam. It was so difficult!! I got the resuts on Wednesday. I 7. **(failed/passed/did)** ☹ When I 8. **(spoke/told/shouted)** my parents they were really angry.

On Thursday I walked to school. Usually my dad drives me, but he 9. **(got/ has to/ had to)** go to work early that morning. Anyway, when I left the house it was a beautiful day, so I 10. **(didn't took/ did take/ didn't take)** a coat or umbrella with me. Then, on my way to school, it started raining and rained a lot… I got really wet and felt annoyed the whole day.

On Saturday evening I 11. **(visited/went/met)** to a new night club with my friends. It was awful!! There 12. **(was/weren't/wasn't)** many people and the music was terrible, so nobody wanted to dance. It was the waste of time and money!

13. **(Because/But/Anyway)** I have to go and walk my dog now. Email me 14. **(soon/ at the moment/ yesterday)**

15. **(Be/Take/Look after)** care!

Jade
