

Hello Peter,

Thanks 1. (to/from/for) your letter. Great to 2. (listen/hear/receive) from you! I'm 3. (sorry/ apologize/afraid) I didn't reply last week, but I was very busy. 4. (What/How/When) are thing with you? 5. (Why/Who/How) was your basketball match on Saturday? I hope your team won.

Last week wasn't a good week for me... On Monday I 6. (went/made/took) a maths exam. It was so difficult!! I got the resuts on Wednesday. I 7. (failed/passed/did) ☹ When I 8. (spoke/told/shouted) my parents they were really angry.

On Thursday I walked to school. Usually my dad drives me, but he 9. (got/ has to/ had to) go to work early that morning. Anyway, when I left the house it was a beautiful day, so I 10. (didn't took/ did take/ didn't take) a coat or umbrella with me. Then, on my way to school, it started raining and rained a lot... I got really wet and felt annoyed the whole day.

On Saturday evening I 11. (visited/went/met) to a new night club with my friends. It was awful!! There 12. (was/weren't/wasn't) many people and the music was terrible, so nobody wanted to dance. It was the waste of time and money!

13. (Because/But/Anyway) I have to go and walk my dog now. Email me 14. (soon/ at the moment/ yesterday)

15. (Be/Take/Look after) care!

Jade
