CAMERAS IN THE WILD

We watched a documentary the other day about lions in Africa. It was very realistic, and my youngest sister was really (1) _____ when the animals got close to the camera. It was funny because the camera operator was really (2) _____ and forgot that the car door was open. Luckily, the guide quickly closed it. You could see that they weren't very (3) _____ after that. Then they started talking about the lions, and it got a bit (4) _____, so we turned the TV off.
