

A Cup of English 3 / Unit 2 revision

Mock test

1) Read the text and write the correct information.

I have an older sister who is 13 years old. Her name is Isabel and she is in very fit but right now she has the flu and she is in bed. Her temperature is very high. Today it's 38.9 and mum is worried so she is taking Isabel to the doctor's. The doctor's office is in the city center so they have to take a taxi. I am a little worried too but I'm sure my sister will be just fine soon.

HER AGE _____

HER NAME _____

HER MEDICAL PROBLEM _____

HER TEMPERATURE _____

DOCTOR'S LOCATION _____

GOING BY _____

2) Match the medical problem with what you need to treat it.
