Today I'm feeling ☺

*Posted at 20.39 Thursday 27th April*

Phew! What an awful day today! I woke up with a bad tooth, so Mum <sup>1</sup> *made* an appointment with the dentist for the afternoon. I never have time for breakfast so I <sup>2</sup> \_\_\_\_\_ a quick cup of coffee – and then went to school. But I forgot my homework! I always <sup>3</sup> \_\_\_\_\_ my homework in the afternoon (so I can watch TV in the evening), but I forgot to put it in my bag. My teacher was angry, and I had to <sup>4</sup> \_\_\_\_\_ some extra work during the break, as punishment! Before lunch we <sup>5</sup> \_\_\_\_\_ a Maths test. It was really hard. I <sup>6</sup> \_\_\_\_\_ my best, but I know I <sup>7</sup> \_\_\_\_\_ lots of mistakes. I studied all last week for that test, but it <sup>8</sup> \_\_\_\_\_ no difference. After school I <sup>9</sup> \_\_\_\_\_ the shopping with Mum, and then I went to the dentist. In the evening I tried to <sup>10</sup> \_\_\_\_\_ a cake for my friend's birthday. But I <sup>11</sup> \_\_\_\_\_ a terrible mess, and then of course I had to <sup>12</sup> \_\_\_\_\_ the washing-up. Now I'm really tired! Tomorrow is a holiday: HOORAY! I'm going to sleep late and have a really lazy day.
