Phew! What an awful day today! I woke up with a bad tooth, so Mum ¹ *made* an appointment with the dentist for the afternoon. I never have time for breakfast so I ² _____ a quick cup of coffee – and then went to school. But I forgot my homework! I always ³ _____ my homework in the afternoon (so I can watch TV in the evening), but I forgot to put it in my bag. My teacher was angry, and I had to ⁴ _____ some extra work during the break, as punishment! Before lunch we ⁵ _____ a Maths test. It was really hard. I ⁶ _____ my best, but I know I ⁷ _____ lots of mistakes. I studied all last week for that test, but it ⁸ _____ no difference. After school I ⁹ _____ the shopping with Mum, and then I went to the dentist. In the evening I tried to ¹⁰ _____ a cake for my friend's birthday. But I ¹¹ _____ a terrible mess, and then of course I had to ¹² _____ the washing-up. Now I'm really tired! Tomorrow is a holiday: HOORAY! I'm going to sleep late and have a really lazy day.
