

SUPER SALE!

Computer World

Is your **current** computer too slow? Is your printer too old? Are your ink cartridges not cheap enough? If so, now is the time to come to the super sale at our Crawley store and **update** your technology.

Amazing bargains on **selected** laptops, printers and touchscreen computers for one day only on August 31st. Look out for our own ComputerWorld netbook. It's as powerful as more famous brands, but half the price!

Buy one, get one free on all our ink cartridges.

Subscribe to our newsletter for 10% off. Sale starts at 9.00 am, but you can **browse** and look for our best offers from 8.30 am. Our cheapest computers are now only £200! You won't find a better price anywhere in town!
