## 12 Listen and fill in the gaps

## Smile... and the world smiles with you.

A. Humans can [ ] smile from a distance of 90 metres. It's one of the oldest and most basic forms of [ ] - a [ ] which indicates peaceful intentions. A smile or laugh means the same thing in all cultures, and they are both [ ] In 1962, a laughing 'epidemic' started with a group of schoolgirls in [ ] other villages. [ ] some months later, after fourteen schools had closed because students couldn't concentrate.

B. This type of [ ] of interest to [ ] who study the origins and effects of smiles and [ ] They believe that humans had the ability to smile and laugh millions of years ago. Even before languages [ ] probably helped humans to [ ] relationships, and this is still true today. A baby's smile, for example, brings it love and attention before it can talk, and at play or work laughter can show that people trust one another. This is also true for [ ] which laugh in their own [ ] Humans, though, have learned to be more [ ] and in modern society laughing at people or making them laugh can be used both as a [ ]

C. Other studies have shown that smiling and laughing can bring considerable health benefits. Both cause the brain to [ ] into the body. This reduces stress and helps to [ ] Laughing is also good for your heart and [ ]

20 seconds of laughter has the same effect as three minutes of exercise. Strangely, [ ] and laughter have exactly the same effects, so even if you're unhappy, just smile or try to laugh and you should feel better. This may explain why [ ] has grown in popularity. Laughter yoga, for example, was started by an Indian doctor in Mumbai in 1995 and there are now more than 8,000 groups around the world. There people meet, play and laugh with each other to make themselves happier and healthier.

D. For most of us, though, it's the everyday smiles from others which are [ ] Mother Teresa of Calcutta, a winner of the Nobel Peace Prize, [ ] and that [ ] the soul, making the world a [ ] If that is the case, and as smiles and laughter are free, maybe we should be more generous with them.
