

Course: 2nd

RESEARCH: dates / ordinal numbers.

Find out the dates of these celebrations. If they are not on a specific date, just write the month.

Remember:

in + month

on + month + date

Examples:

- When's *Christmas*? It's **on** December 25th
- When's *Thanksgiving*? It's **in** November.

Answer the questions:

1. When's *St. Patrick's Day*?
2. When's *Independence Day* in France?
3. When's *April Fools' Day*?
4. When's *Labor Day* in the US?
5. When's *Veterans Day*?
6. When's *Memorial Day*?
7. When's *Columbus Day*?
8. When's *Guy Fawkes Night*?
9. When's *Carnival* in Brazil?
10. When's *Three Kings Day*?
