Getting from A to B

Solutions Intermediate Unit 8A

2nd edition

A Label the modes of transport with the words below.

camel double-decker bus ferry helicopter hot-air balloon kayak
lorry motorbike tram underground

B Work in pairs. Discuss these questions about the modes of transport from A.

- 1 Which way of travelling is the most / least ...
 - comfortable? • convenient? • dangerous? • exciting? • expensive?
 - reliable? • stressful?
- 2 Which can carry the most / fewest passengers?
- 3 Which wouldn't you want to use in bad weather?
- 4 Which is the best way to travel in a busy city?
- 5 Which have you never used? Of these, which would you most / least like to try out?

C Look at the vocabulary items and circle the odd word out in each line. Be prepared to explain why the words are different!
