

LESSON 2 *You've Got It All Wrong!*

## VOCABULARY .....

Match the words on the left with the words on the right.

1 to cause	<input type="checkbox"/> something suspicious
2 to make	<input checked="" type="checkbox"/> 1 a mess
3 to set	<input type="checkbox"/> killed
4 to do	<input type="checkbox"/> jokes
5 to find	<input type="checkbox"/> in the playground
6 to have	<input type="checkbox"/> experiments
7 to get	<input type="checkbox"/> no idea
8 to give	<input type="checkbox"/> for something to happen
9 to hang around	<input type="checkbox"/> somebody mouth-to-mouth respiration
10 to wait	<input type="checkbox"/> fire

Complete the statements that Amy, Celia, Simon and Adrian gave to the police with the right words from Task A. Then decide who said what.

- I wasn't waiting for anything to \_\_\_\_\_. I was just hanging around in the school \_\_\_\_\_. After all, it was me who gave Amy \_\_\_\_\_.
- I've found something \_\_\_\_\_ about Celia. She was the one who caused \_\_\_\_\_ at the ABC party, too.
- I didn't \_\_\_\_\_ fire to the lab. I was only doing \_\_\_\_\_.
- I didn't know they almost got \_\_\_\_\_. I wasn't making \_\_\_\_\_ about the accident. I had \_\_\_\_\_ what Jill was talking about.

Put the correct word or expression in the following sentences.

- Amy almost choked / set fire / admitted because of the smoke.
- Adrian and Celia were just doing experiments / hanging around / drinking cocoa in the school playground.
- While talking about Celia, Adrian got carried up / over / away.
- Amy's friends almost had / got / made killed while saving her.
- Celia admitted / figured out / caused she was lying.
- The police didn't find anything terrible / ill / suspicious about the accident.
- It took Jill days / years / ages to tell Simon what happened.
- Nobody caused / made / set fire to the lab. The fire broke out by accident.
