

## Try It Out

Use counters to find each answer. (You can use pennies, buttons, small toys, toothpicks or any small items you have at home for counters. Try to find items that are all the same. If you can't find anything to use as counters you can draw pictures to help find the answers.)

$$\frac{1}{3} \text{ of } 9 = \square$$

$$\frac{1}{2} \text{ of } 8 = \square$$
