

Drivers license

by Olivia Rodrigo

I got my driver's license last _____

Just like we always talked about

'Cause you were so excited for me

To finally drive up to your _____

But today I drove through the suburbs

Crying 'cause you weren't around

And you're probably with that blonde girl

Who always made me _____

She's so much older than me

She's everything I'm insecure about

Yeah, today I drove through the _____

'Cause how could I ever love someone else?

And I know we weren't perfect but I've never felt this way for no one

And I just can't imagine how you could be so okay now that I'm gone

Guess you didn't mean what you wrote in that song about me

'Cause you said forever now I drive alone past your _____

And all my _____ are tired

Of hearing how much I miss you but

I kinda feel sorry for them

'Cause they'll never know you the _____ that I do

Yeah, today I drove through the suburbs

And pictured I was driving home to you

And I know we weren't perfect but I've never felt this way for no one

Oh, and I just can't imagine how you could be so okay now that I'm gone

I guess you didn't mean what you wrote in that song about me

'Cause you said forever now I drive alone past your street

Red lights
Stop _____
I still see your face
In the white cars
Front _____
Can't drive past the places
We used to
Go to
'Cause I still f*** love you, babe

We crossed
I still hear your voice
In the traffic
We're laughing
Over all the _____
God, I'm so blue
Know we're through
But I still f*** love you, babe

I know we weren't perfect but I've never felt this way for no one
And I just can't imagine how you could be so okay now that I'm gone
Guess you didn't mean what you wrote in that _____ about me
'Cause you said forever now I drive alone past your street
Yeah, you said forever now I drive alone past your street
