Break My Heart
by Dua Lipa

I've always been the one to say the first
_____Had to love and lose a
hundred million times
Had to get it wrong to know just what I
_____Now I'm falling
You say my name like I have never heard before
I'm indecisive, but, this time, I know for
_____
I hope I'm not the only one that feels it all
Are you falling?

Centre of attention
You know you can get whatever you want from
me
Whenever you want it, baby
It's you in my _____
I'm afraid of all the things you could do to me
If I would've known it, _____

[Chorus]
I would've stayed at _____'Cause I
was doing better alone
But when you said, "_____"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could
break my heart?
Oh no, I was doing better _____
But when you said, "Hello"
I knew that was the end of it all
I should've stayed at home
'Cause now there ain't no letting you go
Am I falling in love with the one that could
break my _____?

I wonder, when you go, if I stay on your
_____
Two can play that game, but you win me every
time
Everyone before you was a waste of
_____
Yeah, you got me

Centre of _____
You know you can get whatever you want
from me
Whenever you want it, baby
It's you in my reflection
I'm afraid of all the things you could do to me
If I would've known it, baby

[Chorus]

Ooh, break my heart
Ooh, break my heart
Ooh
Am I falling in love with the one that could
break my heart?

[Chorus]
