

SEE YOU AGAIN

by Wiz Khalifa

It's been a long day without you, my friend

And I'll _____ you all about it when I see you again

We've come a long way from where we _____

Oh, I'll tell you all about it when I see you again

When I see you again

Damn, who knew?

All the planes we _____, good things we been through

That I'd be standing right here talking to you

'Bout another path, I know we _____ to hit the road and laugh

But something told me that it wouldn't last

Had to switch up, look at things different, see the bigger picture

Those were the days, hard work forever pays

Now I see you in a better place (See you in a better place)

Uh

How can we not talk about family when family's all that we got?

Everything I _____ through, you were standing there by my side

And now you gon' be with me for the last ride

It's _____ a long day without you, my friend

And I'll tell you all about it when I _____ you again

We've come a long way

From where we began

Oh, I'll _____ you all about it when I see you again

When I see you again

Aah oh, aah oh

Wooooh-oh-oh-oh-oh-oh

Yeah

First, you both go out your way and the vibe is feeling strong
And what's small turned to a friendship, a friendship turned to a bond
And that bond will never be _____, the love will never get lost
And when brotherhood come first, then the line will never be crossed
Established it on our own when that line had to be drawn
And that line is what we reached, so remember me when I'm gone

How can we not _____ about family when family's all that we got?
Everything I went through you were standing there by my side
And now you gon' be with me for the last ride

So let the light guide your way, yeah
Hold every memory as you go
And every road you _____
Will always lead you home, home

It's been a long day without you, my friend
And I'll tell you all about it when I see you again
We've _____ a long way from where we began
Oh, I'll tell you all about it when I see you again
When I see you again

Aah oh, aah oh
Yeah, yeah
Wooooh-oh-oh-oh-oh-oh
When I see you again
See you again
Ooh-ooh
When I see you again
