## "This Is The Life"

By Amy Macdonald

Oh the wind whistles .....  
The cold dark street tonight  
And the people they were dancing  
To the music vibe

And the boys chase the girls .....the curls in their hair  
While the shy tormented youth sit way .....there  
And the songs get louder each one better .....before

And you're singing the songs thinking this is the life  
And you wake .....in the morning and your head feels twice the size  
Where you gonna go, where you gonna go, where you gonna sleep  
tonight?

And you're singing the songs thinking this is the life  
And you wake up in the morning and your head feels twice the size  
Where you gonna go, where you gonna go, where you gonna sleep  
tonight?

Where you gonna sleep tonight?

So you're heading down the road in your taxi .....4

And you're waiting .....Jimmy's front door  
But nobody's .....and nobody's home 'til 4

So you're sitting there with nothing to do

Talking .....Robert Riger and his motley crew  
And where you gonna go, where you gonna sleep tonight?

[3x]

And you're singing the songs thinking this is the life  
And you wake up in the morning and your head feels twice the size  
Where you gonna go, where you gonna go, where you gonna sleep  
tonight?

And you're singing the songs thinking this is the life  
And you wake up in the morning and your head feels twice the size  
Where you gonna go, where you gonna go, where you gonna sleep  
tonight?

Where you gonna sleep tonight?

Where you gonna sleep tonight?
