

New York

New York is in America. It is next to the Hudson River.

New York is a very big city. Eight million people live in New York.

It has five parts: Manhattan, The Bronx, Queens, Brooklyn and Staten Island.

The centre of New York is called Manhattan. In Manhattan there is Central Park, a huge green park with lakes and gardens. People can ride bikes, ride horses, run and swim there.

New York has got a lot of skyscrapers. The most famous one is The Empire State Building, it has 102 floors.

The Statue of Liberty is at the entrance to New York harbour. It was a gift from France.

New York is famous for food, for example bagels, pizza, and cheesecake.
