Fascinating facts about the ANCIENT ROMANS!

- 1  Roman houses didn't have a bathroom. The Romans went to public baths. They washed with olive oil.
- 2  A lot of Romans didn't have kitchens. They bought their food from bars and restaurants.
- 3  Many Romans ate exotic foods. They loved mice with honey. They drank wine and water. They sometimes drank vinegar and water!
- 4  Roman boys usually went to school. Girls sometimes went to school. Pupils didn't have paper. They wrote on wax tablets. They used the same tablet again and again.
- 5  Julius Caesar was a famous Roman. He made the modern calendar. The first Roman calendar had ten months, but Julius's calendar had twelve. We use his name for one month, July.
- 6  The Romans celebrated Saturnalia in December. They played games, ate special food, gave presents and decorated their houses. Children had a holiday from school.
