

A diagram on a white background. In the top-left corner, there is a large yellow square with a black outline. Scattered across the rest of the page are ten smaller white squares, each with a black outline. These squares are of varying sizes and are positioned at various locations: one in the middle-left, one in the middle-right, one in the top-right, one in the bottom-left, one in the bottom-middle, and a cluster of four in the bottom-right area.
