Hello my Lower B friends!

Do you remember what we have learned in the last meeting? Yes! It's about town and in the town we can see a lot of things. There are school, hospital, post office, restaurant, supermarket, etc.

Now, look at this pictures and listen carefully!

There are buildings in my town

The bank is **on the corner** of Rose Street.

The supermarket is **next to** the theater.

The park is **between** the theater and the bus stop.
