

Name:

Class: 6F

Rahim missed the bus yesterday.

When he reached school, he found that he had left his homework at home.

He had to run all the way to school.

It was a bad day for him.

There are many fun things to do at the beach.

Some people simply like to sunbathe at the beach.

Playing beach volleyball is a lot of fun.

It is also fun to look for shells.

We can go swimming.
