William Shakespeare

Shakespeare was born in Stratford-Upon-Avon, a small town in England, in 1564. He went to school there, but he didn't go to university.

Shakespeare got married when he was only eighteen. About ten years later, he went to live in London. He wanted to be an actor. His wife and children stayed in Stratford, but he sometimes visited them. The journey took two days.

Shakespeare soon became interested in writing. When he was about thirty, he wrote *Romeo and*
