

I What I'm Looking For

U2

I have highest mountains

I have through the fields

Only to be with you

Only to be with you

I have

I have

I have these city walls

These city walls

Only to be with you

But I what I'm looking for.

I have honey lips

Felt the healing in her fingertips

It like fire

This burning desire

I have with the tongue of angels

I have the hand of a devil

It was warm in the night

I was cold as a stone

But I what I'm looking for

I believe in the kingdom come

Then all the colors will into one

Bleed into one

But yes I'mrunning

You the bonds

And you the chains

..... the cross

Of my shame

Oh my shame

You know I believe it

But I what I'm looking for
