Hi, Mum! I'm having a great time in the UK.

I went to a surprise party! Dex's grandma arrived at four o'clock. We were all waiting for her. She was very surprised and happy.

I was playing chess with Dex. His great-grandmother and grandpa were dancing. It was funny! Dex's dad was eating birthday cake and his mum was taking photos. We all had a lot of fun.

Hello, Sofia. What did you do yesterday?

At six oʻclock we were having dinner. What were you doing?

What a lovely party!
