

Where is my clock

My name is Clem. I can't find my flat blue clock. I think it dropped in the thick grass.

On Monday, I was flipping in the green grass. I like to flip and clap with my slim pal Brad.

Brad and I looked in the plants by the path. My flat clock was not there. Then I got a good plan.

We walked to my Math class and I saw my clock on the desk.

Select the correct answers.
