

“_____ Young”
by Beyoncé

Boy, you'll be the death of me
You're my James Dean
You make me feel like I'm seventeen
You drive too fast
You smoke too much
But that don't mean a thing, 'cause I'm addicted to the rush

[Chorus]

'Cause I _____ young than live my life without you
I _____ at all than live my life without you
'Cause I _____ young than live my life without you
I _____ at all than live my life without you

“I _____ Me”
by Willie Nelson

You told me you'd love me forever
But the one in your arms is not me
So if this is what you refer to as love
Then I _____ me
I have waited so long for your love now
But I've made up my mind it can't be
For if I am just one of the many you love
Then I _____

Honest with Me
by Bob Dylan

[Verse 1]

Well, I'm stranded in the city that never sleeps
Some of these women they just give me the creeps
I'm avoidin' the Southside the best I can
These memories I got, they can strangle a man

[Verse 2]

Well I came ashore in the dead of the night

Lot of things can get in the way when you're tryin' to do what's right
You don't understand it — my feelings for you
You'd be honest with me if only you knew

[Verse 3]

I'm not sorry for nothin' I've done
I'm glad I fought — I only wish we'd won
The Siamese twins are comin' to town
People can't wait — they're gathered around

[Verse 4]

When I left my home the sky split open wide
I never wanted to go back there — I _____
You don't understand it — my feelings for you
You'd be honest with me if only you knew

If I Ever

by Ryan Marsh

I see your name on my cell phone
I thought you wanted time alone
What is it you need this time
I stand on the sidewalk
I say, "Hello, " you begin to talk
You say, "Please don't hang up the line"
How can I believe a word you say
You say goodbye then hello again
I wish things had not ended up this way
You force me to say the words that leave me dead
If I ever see your pretty face again
You know it's gonna be the end
I'm done trying to pretend that it's fine
You shot me down with your last goodbye
You'll wake the oceans in my eyes
If I ever see your face again
Now you appear on my doorstep
Holding my clothes that you kept
I _____
I thought it was over
But now there's tears on my shoulder
Why did I let you in my house
