### MEALS IN BRITAIN

A typical full English breakfast is a very big meal – sausages, bacon, eggs, tomatoes, mushrooms and of course toast. But nowadays many people don't have time to eat all this and just have toast, or sometimes fruit and yoghurt. The typical breakfast drink is tea, which people have with cold milk. Some people have coffee made with just hot water. Many visitors to Britain think this coffee is horrible!

For many people lunch is a quick meal. In cities there are a lot of sandwich bars, where office workers can choose the kind of bread they want, either brown or white, and then all sorts of salad and meat or fish to go in the sandwich. Pubs often serve good, cheap food, both hot and cold. School-children can have a hot meal at school, but many just take a snack from home – a sandwich, a drink, some fruit, and perhaps some crisps.

People eat their evening meal quite early, often at about six o'clock. A typical dinner is meat and vegetables, especially on Sundays, when all the family eat together.
