WHAT TO DO IN NEW YORK CITY...

1 WHEN IT'S VERY COLD

Go ice skating at Bryant Park. Bryant Park is a beautiful park in Manhattan, behind the New York Public Library. In the winter, there is a skating school where you can take lessons, and there is a café to enjoy lunch or dinner after you skate. From October to January, there is an outdoor shopping centre.

2 WHEN IT'S RAINING

Go to Fort Tryon Park and visit The Cloisters.

You can take a train or bus from Manhattan and visit The Cloisters (Museum of Art) in Fort Tryon Park. The Cloisters is very popular with adults and children. This museum is full of interesting old art and architecture. If the sun comes out, walk outside and look at the amazing views of the George Washington Bridge or the New Jersey Palisades.

3 WHEN THE SUN IS SHINING

Go to the High Line, New York City's newest park.

The High Line is a park on old train tracks. The High Line has flower gardens. It has beautiful views of the Hudson River and interesting art. It's a perfect place for a walk in the evening.
