Come
and
check
it out!

Visit one
of the
clubs and
spend an
afternoon
doing
what you
like most.

The Science Club: Students organize their own experiments. Club members are students who say: "I'm sort of like a scientist too," and "Science is cool." Do you feel the same?

Archaeology Club: Students learn how to excavate archaeological findings. Club members organize expeditions in the desert every spring.

Poetry Club: Students learn and recite traditional and modern poetry. They write poetry and organize poetry readings.

Computer Club: Members learn about and get a chance to use lots of computer programs—from spreadsheets to games. Some students even design their own programs. Does this interest you?

Drama Club: Members learn the basics of acting and get a chance to act in plays in front of student audiences. Get on stage and get in on the act.

Football Club: Members practice and compete for the school team. They also help with the organization of football games with other school teams.
