

## **Optical Illusions 2**

Watch the video. Number the illusions in the order they appear. Then answer the questions.

	<p>How many animals can you see in the image?</p>
	<p>Are the orange circles the same size?</p>

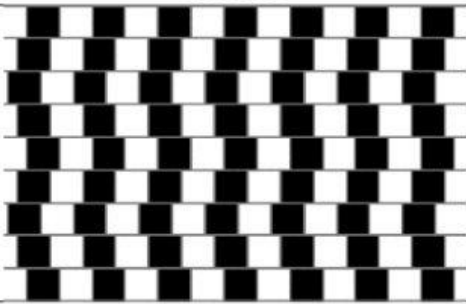

Which two animals can be  
seen in the picture?

A \_\_\_\_\_ and a  
\_\_\_\_\_.

Is the square curved or  
straight?

Are the lines parallel?
