JOSEPH

We went to Thailand again for our summer vacation. We spent a week in Bangkok and did something every day. We went to the floating market very early one morning. We didn't buy anything there – we just looked. Another day, we went to Wat Phra Kaew, the famous Temple of the Emerald Buddha. Check out my pic!

Then we saw two more temples nearby. We also went on a river trip somewhere outside Bangkok. The best thing about the trip was the food. The next time we have friends over for dinner, I'm going to cook Thai food.

OLIVIA

Last summer, we spent our vacation in Thailand. We were very excited – it was our first trip there. We spent two days in Bangkok. Of course, we got a river taxi to the floating market. We bought some delicious fruit there. I'm posting a picture. The next day we went to a very interesting temple called the Temple of the Emerald Buddha. We didn't have time to visit any other temples. However, we went to two historic cities – Ayutthaya and Sukhothai. Both have really interesting ruins. Everything was great. It's impossible to say what the best thing was about the trip.
