## Writing (linked to Ann's holidays)

1. Imagine that you are on holidays and you are writing postcards to your friends in Pamplona.

✓ First think about the place:

- Where are you? A city, a village, a beach?
- Describe it. Is it a big/ small/ interesting/ boring/ amusing place?
- What are you doing there?
- What's the weather like?
- Do you like the food?

✓ Now, write the postcard:

..... ..... ..... ..... ..... ..... ..... ..... ..... ..... .....	 <p>Address</p> <p>..... ..... ..... .....</p>
