ALADDIN

Book Review by Ofir

This fairy tale is about a poor boy called Aladdin and a beautiful princess called Jasmine. Aladdin is the hero in the fairy tale. He is good-looking and strong*. He doesn't have a family, so he lives on the street.

Aladdin loves Jasmine, the princess. She has long, black hair and big, black eyes. Jasmine lives in the palace* with her father, the king.

The king is old and kind. He wants Jasmine to be happy.

Jafar is the ugly villain in the story. He is a very bad character. He works in the palace with Jasmine's father. He wants to be king.

Aladdin tells the king that he loves Jasmine. In the end, Aladdin and Jasmine live in the palace with the king.

I recommend* this book. It is my favorite story. The story is fun to read. I enjoyed the adventures*.
