### 2.- Choose the correct option:

- a.- I can do Maths calculations more quickly / the quickest than my sister.
- b.- This term, we worked harder / the hardest than last term.
- c.- I did worse / the worst out of all the students in my class.
- d.- Peter always does better / the best in Biology tests.
- e.- During the race the British driver drove the most fast / fastest.
- f.- Peter plays more aggressively / the most aggressively in the team.
- g.- The choir sang more nervously / the most nervously in the beginning than they did at the end.

### 3.- Complete the text with the comparative or superlative adverb:

My best friends' names are Sam and Jess. We've got a lot of the same interests-I guess that's why we're friends!

We all enjoy sports, although Sam plays tennis a lot (good).....than Jess and me.

He can run (fast) .....than us too. We all like music. Jess can sing (beautiful).....than me,

although I can learn the words of a song (easy).....than her! Of the three of us, Sam sings

(bad)....., but he also sings (loud).....of all. We also enjoy playing video games. I'm a lot

(good).....than Sam, but Jess is (good).....at it – but that's because she practises the most!
