

Let's Summarize

I just need
the main ideas

Luke wanted to sit at the kitchen table with his family for breakfast, but he could not because workers near his home, were getting suspicious about the family's shades always being closed. So, Luke tried to protest, or speak up for himself, so that he could sit at the table with his family. Luke's dad responded to him by telling him to basically be quiet and that he had to stay on the stairs.
