Ending Punctuations

The ending punctuation you choose depends on the type of sentence that it is.

There are three major kinds of sentences.

1. **Declarative sentences** are making a statement, perhaps to provide information. A period (.) is the proper ending punctuation for a declarative sentence.
2. **Interrogative sentences** are asking a question. A question mark (?) is the proper ending punctuation for an interrogative sentence.
3. **Exclamatory sentences** express emotion or excitement. An exclamation point (!) is the proper ending punctuation for an exclamatory sentence.

Decide whether the sentence is making a statement, asking a question, or expressing emotion.

Add the proper punctuation to the end.
